Partner in the South Dakota Week of Work

When: April 20-24, 2020

Goal: Provide 10th grade students in South Dakota an opportunity to explore career interests in their own communities. Businesses will provide work-based learning experiences through job shadowing, tours, and other business-classroom connections.

A benefit to your business: Gain valuable exposure for your industry as an employer, help shape the State’s future workforce, and potentially meet future employees.

How: Students and businesses will be paired up depending on the student’s interests and the business’s needs. Sign up today.
