

NOTICE

Effective July 1, 2015, all contractors and suppliers wishing to be certified as a resident for the purposes of receiving in-state preference shall complete and submit the documents and affidavit(s) required by the Labor Standards Division of the Wyoming Department of Workforce Services.

Information may be obtained by contacting:

Wyoming Department of Workforce Services
Labor Standards Division
1510 E. Pershing Blvd., West Wing, Number 150
Cheyenne, WY 82001
(307) 777-7261

Any contractor or supplier who has not received a certificate of residency from the Wyoming Department of Workforce Services, Labor Standards Division, will not receive preference in the award consideration when bidding the applicable contracts.

Any suppliers that may have received resident preference in the past bids will no longer receive the resident preference without the required certificate of residency. Please take immediate action to obtain your certificate of residency for the purposes of receiving preference on any WYDOT bids that are awarded after July 1, 2015
