

FROM QUARAN"TEE"N TO "TEE"ING OFF AT THE GOLF COURSE

After careful thought and consideration, Construction Industry Center has decided to move forward with registration for the 51st Annual Golf Tourney scheduled for Saturday, August 15 at the Elks Golf Course.

Our personal lives and jobs have been altered significantly by this unprecedented time brought on by the coronavirus pandemic but the construction industry workforce has shown its mettle by continuing to provide an essential service.

We don't know what the situation will be in August, but we remain hopeful that we can conduct a tourney with the best interests of our members in mind.

If limitations/restrictions imposed by the City of Rapid City are in place at the time, they will be adhered to, for the safety and wellbeing of our golfers.

Knowing there are inherent risks involved, we hope you make a responsible personal choice on whether to participate, based on what is best for you and your family.

We reserve the right to cancel the tournament if cases continue to escalate and there are safety concerns and/or if there is low participation that makes the event financially unfeasible.

Thank you!

We hope to see you on the course!
