for our community!

The purpose of the craftsmanship awards program is to recognize and encourage outstanding workmanship in our industry. If you have or know of craftsmen that have displayed extra effort and ingenuity on the job to produce and display true craftsmanship NOW is the time to recognize them.

The program is open to ALL members of C.I.C. Any craft or trade is eligible.

Nominations may be made by anyone connected to the industry... Architects, Engineers, Owners, Contractors, Subcontractors, etc.

Nominations will be separated into two categories for commercial and residential and then by division of work following the CSI divisions 2-17.

A committee comprised of peer members in the industry will judge the nominations.

Winners will be recognized at the 63rd Annual Meeting & Craftsmanship Awards Presentation in February, 2018

Nomination forms are available in person at the C.I.C. Office, 2771 Plant Street, Rapid City, on our website and Facebook page, or give us a call at 343-5252 and we will be happy to mail, fax or email you the form.

If you have any questions concerning this program please give us a call!
