## 2020 Spring Damage Prevention Meetings Schedule

You are cordially invited to attend the Annual Damage Prevention Meeting presented by South Dakota 811 and local utilities. The South Dakota One Call Board, local utility companies, OSHA, and other guest speakers will be conducting informative sessions to assist the excavation community and operators of underground facilities in reducing damage to underground facilities and improving safety for excavation employees and the general public. The sessions will be structured with a presentation by the One Call Board and/or other representatives with the purpose of developing a dialogue to insure effective and efficient excavation. Most of the programs will be an hour and a half in length, with ample time provided for discussion of items important to all attendees.
