

# SAFETY ACADEMY

ENGAGE . ENHANCE . PROMOTE

## OSHA 10-Hour with Building Contractor Focus - Register Today!

OSHA 10-Hour training is intended to give employees a general understanding of safety. Facilitators identify safety and health principles that help you meet OSHA requirements, mitigate risk and prevent injury. The OSHA 10-Hour for Building Contractors focuses on the areas of construction most common to vertical work.

Topics covered include:

- Introduction to OSHA and the OSHA Act
- Electrical
- Fall Protection
- Stairs and Ladders
- Scaffolding
- Cranes
- And More

All participants will receive a laminated certification card from OSHA.
