Rangel Construction Company of Rapid City, South Dakota hereby advertises for the position of Project Manager. Rangel Construction is a commercial general contractor, with a work territory covering the entire state of South Dakota. Our company strives to provide a professional and safe work environment for all, and always to respect the dignity of each employee. Duties of the Project Manager shall include cost estimating and proposals, design-build coordination, project scheduling, shop drawing review, and general project oversight. Qualified candidates will have appropriate education and adequate experience in order to begin work with full responsibility. Individuals with professional registrations and/or significant construction design experience are encouraged to apply. Please send resumes to PO Box 2036, Rapid City, SD 57709 (Attn: Mario R. Rangel).

# HERE IT COMES!

Construction Industry Center/  
B.H. Home Builders Association

Surplus  
Materials &  
Equipment  
SEPTEMBER 15

## Central States Fairgrounds Soule' Building

The Construction Industry Center and the Black Hills Home Builders Association for the past several years have combined to sponsor a surplus materials and equipment auction for members of the association(s). This auction has become very popular with both consignors and the public and continues to grow in size with each successive year.

How does it work?

- CIC & BHHBA rents the facility, hires the auctioneer and handles all the advertising.
- You consign your items and receive an 85% return
- 90% return on single item sales of \$5,000 - \$10,000
- 95% return on single item sales \$10,000+

How do I participate?

- Contact C.I.C. at 343-5252 or B.H.H.B.A. at 348-7850 to receive a contract and consignor number
- Set aside any materials and/or equipment you wish to consign and mark them with your company name and consignor number.
- Drop them off at the fairgrounds the day before the auction.

**Whether you're buying or selling  
be sure to mark this date on your calendar!**

# HAZWOPER Technician

## Course Information

Burress Advisory Group, LLC is offering an OSHA 40 Hour HAZWOPER Hazardous Materials Technician course. The class will run four days and the schedule will be 10 hours per day. This course will meet all 29CFR1910.120 requirements and will consist of 50% classroom instruction and 50% hands-on practical application. The course participants will be required to complete several written exams, paperwork exercises, and skills evaluations. A certificate of completion will be issued to each student who successfully completes the class.

The course is being held at:

Site Construction Industry Center

Address 2771 Plant Street

City Rapid City ST SD ZIP 57702

Phone (605) 343 5252

*Lunch daily will be on your own. There are several restaurants within close proximity to the training site.*

29CFR1910.120(q)(6)

**Hazardous materials technician.** Hazardous materials technicians are individuals who respond to releases or potential releases for the purpose of stopping the release. They assume a more aggressive role than a first responder at the operations level in that they will approach the point of release in order to plug, patch or otherwise stop the release of a hazardous substance. Hazardous materials technicians shall have received at least 24 hours of training equal to the first responder operations level and in addition have competency in the following areas and the employer shall so certify.

## Schedule & Topics

### Day One Tuesday 9/18

Introduction, Regulations & Standards, Chemical & Physical Hazards, Health Hazards, and Information Sources

### Day Two Wednesday 9/19

Health & Safety Plans, Emergency Response Plans, Personal Protective Equipment, Respiratory Protection and Chemical Protective Clothing

### Day Three Thursday 9/20

Decontamination, Incident Command Systems (NIMS) and Air Monitoring, DECIDE & Hazard Analysis

### Day Four Friday 9/21

Drum Handling, Spill Control, Confinement, Containment and Sorbents, Review & Final Exam

The course will include several quizzes, written exercises, hands-on competency evaluation exercises and a final exam. A 70% passing score is required on all quizzes and exams. Retest opportunities may be made available as necessary.

Sioux Falls, SD	Flooring at Sioux Falls VAMC (Cont'd)	Tue 8/28 2:00 PM CDT
CIC Job Number#:	2012-1549	Solicitation/Project # VA26312B0927
DESC	<p>A. Install approximately 15,355 sq. ft. Centiva wood look (or the equivalent ) 6"x36" plank vinyl flooring provided by the contractor, on the ground floor hallways of Primary Care, Spec Med, the Emer. Dept., and the CLC 2 &amp; 3 hallways of Bldg. 5. The vinyl flooring must be a heterogeneous PVC with at least a 3 mm gauge thickness. It must have a class 1 CRF flammability rating greater than 0.45. The flooring must pass ASTM and ADA guidelines for Slip Resistance. The vinyl planks must be classified as commercial flooring with at least a 20 year limited wear warranty. It must be rated for excellent abrasion, chemical resistance, and residual indentation. VA interior designer will approve the colors and the vinyl flooring mfg. The installers will provide a layout of where the borders will run throughout the hallways.</p> <p>B. Install approximately 10,600 sq. ft. of Teknoflor wood look (or the equivalent) sheet vinyl flooring in the exam rooms in Primary Care, Spec Med., ER, and the Lab Conference Room in Bldg 5 and 2 offices and Conference Room in the Research Bldg. The sheet vinyl must be at least 2.3 mm overall gauge with 5.5 lbs. per sq. inch. The wear layer must be rated Type 1 per ASTM F1301 with an embossed clear PVC wear layer of at least 20 mil. The flammability rating will be NFPA class 1 with greater than .45watts /cm2. The flooring must be in compliance with ADA and ASTM slip resistance guidelines. The flooring will have properties resistance to bacteria and fungi activity. It will also comply with resistance to chemicals and solvents, not requiring waxing or buffing with normal usage. The solid vinyl flooring will have a wear warranty of at least 10 years, reinforced with fiberglass for perfect dimensional stability. VA interior designer will approve the color and flooring mfg.</p> <p>C. Install approximately 380 sq. yds. of Bigelow tile Solutions modular commercial grade carpet tile in the Engineering offices in Bldg 17 provided by the contractor. The tile must have a tufted weight of at least 20 oz/sq. yd. and be constructed with Antron Legacy nylon in a solution dyed method for superior performance with permanent stain resistance per GSA requirements. The backing of the carpet tile should be a fiberglass reinforced thermoplastic composite. Lee's Walk-Off tile is for the Corridor on the 1st floor. VA interior designer will approve the color and flooring mfg.</p>

Various Locations MT, NE, ND, SD	Communication Towers, Buildings, and Site Work (Cont'd)	Wed 9/5 2:00 PM CDT
CIC Job Number#:	2012-1647	Solicitation/Project # DE-SOL-0004349
DESC	Western Area Power Administration (Western) has a requirement for a contractor to provide labor, materials, equipment, transportation and other resources to complete this microwave communications project in the Upper Great Plains. Western will provide a significant amount of Government-furnished material. The principal components of the work involve the construction of communications towers and ice bridges, relocation of communications buildings, installation and removals of antenna dishes, and installation of safety climb systems in Montana, Nebraska, and North and South Dakota. Work includes sitework, concrete foundations, grounding, demolition of structures and foundations, and transportation of a tower and building. The work is located in multiple counties in Montana, Nebraska, North Dakota, and South Dakota.

<b>Bozeman, MT</b>	<b>Gallatin National Forest: North Bridger Trails</b>	<b>Fri 9/7 4:00 PM MDT</b>
<b>CIC Job Number#:</b> 2012-1731	<b>Solicitation/Project # AG-0398-S-12-0015</b>	
<b>OWNER</b>	USDA - Forest Service Gallatin National Forest P.O. Box 130 Bozeman, MT 59715 Phone: (406) 587-6763 Fax: (406) 587-6804	
<b>ISSUING OFFICE</b>	The Owner is the Issuing Office on this project.	
<b>DEPOSIT</b>	The solicitation will be available on approximately 31 August 2012, and can be downloaded from www.fbo.gov	
<b>EST. COST</b>	Price range: \$25,000 to \$150,000.	
<b>SITE VISIT</b>	No pre-bid tour will be conducted.	
<b>NOTES</b>	<b>Total Small Business</b> <b>Interested bidders may contact Todd Orr at the Gallatin National Forest, Supervisor's Office 406-587-6741.</b>	

**DESC** North Bridger Trails, located on the Bozeman Ranger District of the Gallatin National Forest. Description of Work: The North Bridger Trails project includes a Base and an Additive Item. Together, both items include the construction of approximately 5.7 miles of single-track, 24-inch trail in two separate locations that are approximately 20 miles apart. The work involves new trail construction, light clearing on existing roads, installation of drainage structures, sign installation, and other miscellaneous trail work. BASE ITEM: The Upper Brackett Creek Trail, #526, is located in sections 35 and 36 of T02N, R06E, and sections 2 and 11 of T1N, R06E, north of Bozeman, MT. From Bozeman, travel northeast on Highway #86, Bridger Canyon Road, for approximately 18 miles and turn left (or west) on Forest Road (FR) #631, South Brackett Creek. Follow FR #631 for approximately 3 miles to the trailhead/trail #551. Follow trail #551 west for approximately 2 miles to the top of Ross Pass and the beginning of the project area. The north end of the project can be accessed by traveling Highway #86 an additional 2 miles to Battle Ridge Pass/Battle Ridge Campground and turning left, or west, on North Brackett Creek Road, FR #6607. Follow FR #6607 for approximately 4 miles to the project area at the north end of Ross Pass trail. ADDITIVE ITEM: The Hatfield Mountain Trail, #521, is located in section 3 of T03N, R06E and in section 34 of T04N, R06E, north of Bozeman, Montana. From Bozeman, travel northeast on Highway #86, Bridger Canyon Road, approximately 28 miles. Turn left, or west, on Flathead Pass Road and continue for approximately 4 miles. Turn right, or north, on Middle Fork Flathead Creek Road and continue on for approximately 4 miles to the Forest boundary and FR #642. Travel along FR #642 for approximately 2 miles to the end of the public road and the Hatfield trailhead. Follow the existing trail, #524, northeast to the project location.

<b>Lame Deer, MT</b>	<b>Internal Comptroller Services for the Tribe for Fiscal Year 2013</b>	<b>MDT</b>
<b>CIC Job Number#:</b> 2012-1606		
<b>OWNER</b>	Northern Cheyenne Tribe Cheyenne Tribe Capitol Bldg, 600 South Cheyenne Avenue PO Box 128 Lame Deer, MT 59043 Phone: (406) 477-4836 Fax: (406) 477-6944	

**ISSUING OFFICE** The Owner is the Issuing Office on this project.**DEPOSIT** Proposals must be received by: Mrs. Colleen Spang, Procurement Officer, North Cheyenne Tribe, P.O. Box 128, Lame Deer, MT 59043.**NOTES** **PROPOSAL DEADLINE: Open until filled**  
**All proposal submissions must address all required information to be considered complete. Incomplete submissions will not be evaluated. One original and five unbound copies of the proposal must be provided. For more information or clarification, please contact the Tribe's Central Finance Department at 406-477-6980.****DESC** The Northern Cheyenne Tribe requests proposals to perform Internal Comptroller services for the Tribe for fiscal year 2013 (October 1, 2012 to September 30, 2013). Description of the Entity: The Northern Cheyenne Tribe is a federally recognized Indian Tribe whose constitution was formally adopted by its members in accordance with Section 16 of the Indian Reorganization Act of June 18, 1934 (48 Stat. 984) as amended by the Act of June 15, 1935 (49 Stat. 378). It has been determined that the Northern Cheyenne Tribe is the primary government based upon the fact that it is legally separate, its governing body is separately elected, and it is fiscally independent of other governments. The Tribe uses the MIP fund accounting system to record and report on its financial position and the results of its operations. The Tribe's major operations include natural resources, general government, health and welfare, education, public works, economic development, public safety, culture and recreation, and community services. The Tribe has a current single audit report and indirect cost rate for fiscal year 2012. This position is physically located in the Central Finance department in Lame Deer, Montana.
