CONTACT Mark Hendrix (Range Ecologist) Phone: (605) 255-4515 Email: mark.hendrix@state.sd.us

ISSUING OFFICE The Owner is the Issuing Office on this project.

DEPOSIT To obtain a Request for Proposal or sample contract for the Sylvan salvage project, write Custer State Park, 13329 US HWY 16A, Custer, SD 57730 or call (605) 255-4515.

DESC Salvage/treatment of up to 4,000 trees infested with mountain pine beetle in the Sylvan Lake area of Custer State Park.

Fort Harrison, MT **OEF-OIF Clinic Expansion** **Mon 12/1 12:00 AM MST**

CIC Job Number#: 2014-1933 **Solicitation/Project # VA25914R0768**

OWNER U.S. Department of Veterans Affairs Medical Center 2360 E. Pershing Boulevard Cheyenne, WY 82001-5932
CONTACT Brooke Barker Email: brooke.barker@va.gov

ISSUING OFFICE The Owner is the Issuing Office on this project.

DEPOSIT A REQUEST FOR PROPOSAL WILL BE POSTED ON OR ABOUT OCTOBER 30, 2014.

EST. COST The project is anticipated to last 450 days, with a project magnitude of \$1,000,000 to \$2,000,000.

COMPLETION The contractor will have 450 calendar days after receipt of notice to proceed to complete this project.

SITE VISIT A SITE VISIT IS SCHEDULED FOR NOVEMBER 18, 2014 AT 8:00 AM MOUNTAIN TIME - MEET ROY STEINER AT BUILDING 141, 2ND FLOOR.

NOTES **Set Aside: Service-Disabled Veteran-Owned**

DESC Complete construction and renovation of the maintenance facility and the clinic expansion. The general scope of this project consists of two phases, the first phase is the Maintenance and Repair Relocation, and the second phase is the Clinical Expansion. The Maintenance and Repair Relocation phase consists of constructing a 40' addition, approximately 3,500 sqft, to the prefabricated steel building #170, which is currently serving as the warehouse. The addition will house maintenance and repair functions for the VAMC campus. The addition will include all HVAC, electrical, mechanical, and architectural elements to meet the needs of the department. Site work is anticipated, and will include concrete, paving, and utility work for accessibility. The Clinical Expansion phase will expand the current maintenance shop areas up to the existing sidewalks and construct a clinic to be conducive with the clinical functions providing approximately 16 exam rooms, support spaces, and a waiting room. The relocation of the maintenance shop and expansion of clinical areas will improve Veteran's access to care at the Montana Veterans Affairs Medical Center (VAMC), Fort Harrison, MT.

CIC will be holding our 60th Annual Meeting & Craftsmanship Awards presentation on

Saturday, February 21, 2015 at the Lodge in Deadwood. We hope you will save the date and make plans to join us in celebrating this milestone!

Construction Industry Center is pleased to be celebrating our 60th Anniversary (1954-2014). In recognition, each week from now to the end of the year, we plan to bring you "Fun Fact Friday" where we highlight a tidbit of info from our inaugural year, 1954. We hope you will join in the "fun" by commenting on our "fun fact"!

<http://thefaustorocksyeah.files.wordpress.com/2011/07/elvis6.jpg>

In 1954, Elvis Presley recorded his first commercial single. With Scotty Moore on the guitar and Bill Black on the double-bass, Sun Record's Sam Phillips recorded Elvis' first commercial single, called That's All Right. The year before, Elvis had recorded "My

Happiness" for his mother over a lunch break

**APPLICATION
DEADLINES
EXTENDED**

**CONSTRUCTION INDUSTRY
CENTER
MASTER CRAFTSMAN
PROGRAM**

TAKE PRIDE IN YOUR WORK

You are invited and encouraged to submit a nomination for the CIC Master Craftsmanship Awards Program.

The purpose of the craftsmanship awards program is to recognize and encourage outstanding workmanship in our industry. The awards provide an excellent opportunity to showcase the best of the construction industry and to celebrate the industry's achievements.

If you have or know of craftsmen that have displayed extra effort and ingenuity on the job to produce and display true craftsmanship now is the time to recognize them.

Say "THANK YOU" to the people who strive to make our communities the best they can be! Nominate today. Deadline has been **EXTENDED** to October 31.

**Help us give recognition to those companies and
individuals who are achieving the highest standards!
2014 NOMINATIONS TO BE ACCEPTED UNTIL
OCTOBER 31**

**Winners will be recognized at the 60th Annual Meeting & Craftsmanship
Awards Presentation in February, 2015.**

If you have any questions concerning this program please give us a call!

CONSTRUCTION INDUSTRY CENTER, INC.

Springfield, SD	RFI - Campus, Water Infrastructure Improvement Mike Durfee State Prison (Cont'd)	Fri 10/17 5:00 PM CDT
CIC Job Number#:	2014-1804	Solicitation/Project # OSE# C1514--01X/SWMR
DESC	The Office of the State Engineer, on behalf of Bureau of Administration, is soliciting Statements of Interest from firms interested in providing professional engineering services for the referenced project. Mike Durfee State Prison is currently experiencing problems with the current pressure. The water pressure and fire flow are below the industry standard. They currently are receiving water from Springfield's water tower. We are to determine a solution which will increase the pressure for the prison. Some of their water mains on campus are getting old and are rusting which may need to be addressed within this project.	
Custer, SD	RFI - HVAC System Upgrade Administration Building and Annex at Star Academy	Fri 10/17 5:00 PM CDT

DEPOSIT CIC WILL NOT BE DOWNLOADING THIS PROJECT. However, plans and specifications may be viewed (\$0.00) at no cost or downloaded for \$10 non-refundable; www.questcdn.com project #3508257.

EST. COST \$529,268.00

COMPLETION August 14, 2015

SITE VISIT A MANDATORY Pre-Proposal conference will be held September 16 at 10 a.m. at Wagonwheel Elementary School.

DESC The project consists of renovation of the Library and adjacent spaces at Wagonwheel elementary School located at 800 Hemlock Avenue, Gillette, WY. Approximately 5,360SF of space including the access ramp and a new second exit through the existing room 158 will be completely renovated. The work will include selective demolition of most materials and finishes as well as the elevated floors and terraced areas at the four corners of the space. The elevated and terraced areas will be removed and replaced with slab on grade concrete floors at the same elevation as the existing library floor. New partition walls will be installed to create two new 528SF classrooms and two new 743SF computer labs using steel studs and drywall. Existing HVAC systems, electrical power, temperature control systems and IT will be reconfigured to support the renovation. New lighting will be installed in the new classrooms and computer labs. Construction materials and finishes will comply with CCSD standards.

COMPLETION November 14, 2014

SITE VISIT August 26 at 10:00 AM MST. Interested parties will meet at the Memorial's Maintenance Facility. Contact Chris Esper for directions.

NOTES This project is set-aside 100% for small business.

DESC Computerized Environmental Control Systems at Mt. Rushmore National Memorial, Keystone, SD. Update the existing HVAC/Electrical controls system for various Park buildings with new, web-based panels and software which will reside on the Park Services internal computer network. The new software should be both web-based and client/server based and able to interface with existing control panels seamlessly with no added black box devices or third party devices. In addition, the Park requires adding air handlers, lighting circuits and water plant systems monitoring to the controls system. The requirement also includes upgrading or replacing selected sensors and valves.

ISSUING OFFICE The Owner is the Issuing Office on this project.

DEPOSIT The Owner is the issuing office on this request.

BID SECURITY Each bid in excess of \$50,000 must be accompanied by a certified check, cashier's check, or draft in the amount of 5% or a 10% bid bond.

EST. COST Construction Budget is \$425,084.00.

COMPLETION 100% design and construction documents by February 27th, 2015.

SITE VISIT Optional pre-bid conference for all interested bidders on October 24th, 2014 at 10:00am MT at Bldg 370 Camp Rapid, 2823 Main St., Rapid City, SD 57702.

NOTES Questions are to be directed to Darrell Utter, 605.737.6096 email.darrell.j.utter@us.army.mil

DESC This project will involve generating designs for renovation of the interior of building 370 to convert the current shared rooms into private rooms. This will include updating all HVAC, water heaters, windows, electrical systems, mechanical systems and any other building envelope deficiencies to help the South Dakota Army Nation Guard meet the Federal mandate of reducing energy consumption. A fire Suppression system in shall be installed. All Mechanical systems shall be compatible to current systems used by SDARNG. Other needs may present themselves or be considered. The design team should include resources for architectural, mechanical, electrical and any other necessary resources for the renovation of the building. Meters will need to conform to "US Army Metering Program, Specifications for Advanced Meters", 21NOV13 Revision 4 Guidelines and any other SDARNG requirements for housing soldiers in individual rooms. Firms wishing to be considered for providing professional services for this project should send a Statement of Interest that outlines their qualifications and experience for this project. Firms are encouraged to provide examples of recently completed similar projects and their related facilities.

 DESC The Contractor shall provide all labor, equipment, and materials required to remove and replace a total of 9 basement windows located in the 3 residences at Garrison Dam National Fish Hatchery. Windows to be removed have lead based paint contamination and must be removed and disposed of per all applicable regulatory requirements.
 ADDENDA [Addenda 1]: Oct 2
 [Addenda 2]: Oct 7
 PLAN HOLDERS LIST AVAILABLE AT CIC

Bairoil, WY Enhancement of 1920's Oilfield Trencher Display Mon 12/1 3:00 PM MST
 CIC Job Number#: 2014-1883
 OWNER Town of Bairoil 1101 Antelope Dr. PO Box 58 Bairoil, WY 82322-
 Phone: (307) 324-7653 Email: townofb@wbaccess.net
 ISSUING OFFICE The Owner is the Issuing Office on this project.
 DEPOSIT Access will be provided to a vast amount of documentation and photos of the oil field history, surrounding areas and wildlife for review in preparing a proposal. Contact LB Brantner (307) 324-7653 or email townofb@wbaccess.net.
 NOTES Prior experience creating historical and environmentally unique landscaping designs or displays is desired.
 DESC design & creative services for an outdoor display area to be located at 507 Antelope Dr on the south side of the existing Old Town lHall building. Seeking proposals from qualified artists/designers, companies (either individuals or groups), or landscapers who can demonstrate artistic excellence and create an outdoor display incorporating a variety of elements that reflect the natural beauty and wildlife of the surrounding area: visualizing an historical story. The existing 1920 Buckeye ditching machine currently displayed within the proposed area must be incorporated in the design.

{ RISK MANAGEMENT IN STEP
WITH YOUR NEEDS. }

Because the construction business is high-risk, you need more than an insurance broker. You need a true business partner and advocate who understands your "big picture." From risk management to surety bonds, Holmes Murphy is FOR YOU.

We're for you.
