

LETTING OF November 14, 2024

101 D1 GUARDRAIL & FENCING (I-90) IM 90-1(248)11 CONTRACT NO. 04B24

Roadway & roadside safety improvements on the D1 Guardrail & Fencing (I-90) project on I90 located in 3 sections within the MDT Missoula District: • The first section begins in Mineral County approx two (2) miles west of Haugan at RP 14.6 & extends 59.2 miles east to approximately two (2) miles west of Alberton at RP 73.8. • The second section begins in Missoula County approximately 1.9 miles west of the Clinton interchange at RP 118.8 & extends 5.7 miles east to approximately 1.5 miles west of the Rock Creek interchange at RP 124.5. • The third section begins in Granite County approx 0.3 miles east of the Bearmouth Interchange at RP 138.7 & extends 11.1 miles to approximately 3.5 miles west of Drummond at RP 149.8. The work includes replacing existing deteriorated fence & guardrail.

102 GREENOUGH HILL - NORTH NH 24-1(86)22 CONTRACT NO. 01B24

Cold milling, plant mix surfacing, seal & cover, fog seal, guardrail upgrades, rumble strips, new signing & pavement markings on the Greenough Hill-North project located in Missoula County. The project begins at RP 22.7 west of the Lubrecht Forest approach & extends approximately 4.0 miles along Principal Arterial Route N-24 (MT-200) to RP 26.7.

103 BARRETTS - DILLON IM 15-1(134)55 CONTRACT NO. 05B24

The Barretts – Dillon project is located on Interstate Route 15 (I-15) in Beaverhead County. The project begins south of the Barretts Interchange (Exit 56) at Mile Post 54.6 & proceeds north 8.7 miles ending at the north bridge end of the Park Street Grade Separation at Mile Post 63.3 The intent of this project is to resurface the roadway. Proposed work includes crack seal, seal & cover (chip seal), & updated pavement markings.

104 LIBBY AIRPORT - N & S (S-482) STPS 482-1(8)3 CONTRACT NO. 03B24

This three-mile resurfacing project is in Lincoln County on Farm to Market Road (Secondary Route S-482), south of Libby, MT. The work includes milling the existing surface, applying a new overlay, & finishing with a seal & cover, fog seal, & new signing & pavement markings. The project begins about 3 miles south of the intersection with US Hwy 2 & continues south to the intersection with Hammer Cutoff Road.

105 US 93 & TREELINE ROAD (KAL) NH 5-3(136)116 CONTRACT NO. 09B24

The project is located at the intersection of US Hwy 93 & Treeline Road in Kalispell, located in Flathead County. The project will improve the intersection operation & upgrade pedestrian & ADA accessibility & align the exclusive left turn lanes across the intersection on Treeline Road. Sidewalks & ramps will be upgraded.

106 SOUTH OF PLEVNA - SOUTH STPS 494-1(8)2 CONTRACT NO. 08B24

The South of Plevna – South project in Fallon County, includes a 1.5-mile scrub seal which begins at the intersection of US HWY 12 followed by a 6.1-mile-long pavement pulverization along State Secondary Route 494 to restore the existing roadway to a gravel secondary. The project starts at the junction with US HWY 12 & extends south to where the pavement currently ends (RP 1.500 to RP 7.600). There are 4 existing 24" metal culverts in poor condition that will be replaced. This project is in Fallon County.

107 NYHAGEN RD PATH - CUT BANK TA 18(68) CONTRACT NO. 06B24

This project is to construct an ADA/PROWAG compliant path from the existing Anna Jeffries Path near Highway 213 to the east where a new crosswalk will be constructed across Central Ave. The path continues to the east along the south side of Nyhagen Road. East of 6th Avenue NE a concrete sidewalk of approximately 1,100 feet is being constructed to stay within existing right-of-way. After the concrete sidewalk the plant mix path resumes to the east where it turns to the south just west of the access road on the west side of the Cut Bank Sports Complex. The path continues south between two existing fence lines & ends at Old Kevin Highway. The total path length is approximately 7,500 linear feet.

Montana State Hwy Lettings
