

# Congratulations Scholarship

**Winners**

Construction Industry Center is pleased to announce the recipients of the 2023 scholarships. This year, again, the program was open to students in all fields of study. The response was excellent with a highly competitive field of applicants which made for a difficult challenge in the selection process. The essay contest winner will be awarded \$1000.00 and each of the other students will receive \$500.00. Thank you to all who applied. We applaud your commitment to furthering your education and wish you great success in your academic and professional goals in the year to come. We sincerely hope you will make application for future scholarship opportunities.
