August 1995 to June 2021 sees 26 years of dedication to his career at SIMON come to a close. Dana Coats came to SIMON via Hills Materials Company. Originally hired as a laborer, Dana quickly moved to his long-term position as Asphalt Superintendent along with assuming responsibilities as Estimator and Project Manager. Please extend your good wishes as he closes this chapter. You'll most likely find him on the golf course and spending more time with family and grandchildren.
