Industry Center

56th ANNUAL GOLF TOURNEY

Ronald McDonald House

RMHC
South Dakota

This year the Construction Industry Center will be supporting Ronald McDonald House Charities. The South Dakota chapter has been offered a parcel of land and is currently fundraising to construct a new "House in the Hills" facility here in Rapid City. Building a 12-bedroom Ronald McDonald House near Monument Health will enable their charity to provide a safe, comfortable place for families to stay near their sick or injured child for more than 600 families per year at no cost to them. What a relief of burden during a difficult time! This project will benefit the construction industry, the BH area healthcare system and most importantly the children and their families!
