# Membership Campaign

**There is no better promoter of CIC than you!**

The CIC Staff and Board of Directors are proud of our association and want to spread the word about the many wonderful benefits that a CIC membership provides.

The just one campaign is a member recruitment plan that asks ALL MEMBERS to participate by submitting referrals for potential new members. The thought is that everyone knows someone who may benefit from a membership in CIC. Prime Contractors...Subcontractors...Suppliers... Manufacturers...Mfg Reps.

We know the impact a team can have when it's members work together toward a common goal of strength through unity. We're asking each and every member to be a part of that team and refer 'JUST ONE' lead to CIC staff.

Simply email us at [cic@constructionindustrycenter.com](mailto:cic@constructionindustrycenter.com) with the company name, point of contact and method of contact. We'll do the job from there.

**From now through June, if your referral results in a new member you'll be entered into a drawing for a \$50.00 gift card. The more referrals you submit the better your odds.**

**LET'S GO—GET JUST ONE!**
