

July 7, 2025

NOTICE TO CONTRACTORS

All prime contractors who wish to bid on North Dakota Department of Transportation (NDDOT) construction projects must prequalify with this office at least 10 working days prior to the bid opening in which you would like to bid. Prequalification is required annually and runs from July 1 each year through June 30 of the following year.

The NDDOT Website list has been updated with the 2025-2026 approved contractors list. Please review the list and make sure your company has been added if you have filled out the prequalification. If you have not filled out the prequalification for this construction season, the prequalification can be completed on our website at <https://dotnd.diversitycompliance.com/?TN=dotnd>.

If you have any questions, please feel free to contact this office.
