

# 1<sup>st</sup> Annual Red Gala

benefiting

**Ronald McDonald House®**  
**South Dakota**

**What is the Red Gala?** As we continue fundraising to open a brand-new Ronald McDonald House in Rapid City near Monument Health, we thought what better way to introduce this statewide charity to donors, friends and potential supporters through a unique Red Gala!? We invite all guests to wear **red**—shoes, dresses, jackets—whatever your heart desires! Showing up in red shows your support of Ronald McDonald House South Dakota.

**Event Date:** Thursday, November 6<sup>th</sup>, 2025

**Location:** The DoubleTree Hotel by Hilton – Downtown Rapid City from 6-10PM

**Also:** Dueling Pianos, heavy hors d'oeuvres, cocktails, silent auction, and a sea of red! It's a night with friends you won't want to miss!

**The Impact:** Every year, RMH South Dakota houses more than 1,000 families. The Red Gala fundraiser will provide not only a fun and unforgettable night, but more importantly it will give the gift of family togetherness when it matters most. In order to provide that in the Rapid City, we need to complete the **House in the Hills**. If not for RMH, hundreds of families would have financial and emotional burden. Your efforts take that away!

## **HOW YOU CAN HELP:**

Your generosity through a silent auction donation of any value will directly support the building of the House in the Hills. For no cost to families, the charity can offer a clean, safe, comfortable place to stay just a short walk from where their child is hospitalized. Thank you for helping us keep families close!
