

CTE in Action: Career Day at Wall School District

**West River Electric
Association, Inc.**

Your Touchstone Energy® Cooperative 

“Powering You For A Brighter Future”

Golden West
TELECOMMUNICATIONS

WHAT TO EXPECT

Students will engage in hands-on, interactive experiences led by local businesses, industry professionals, and Career & Technical Education instructors. This event offers students the opportunity to explore real-world careers through demonstrations, skill-based activities, and meaningful conversations with professionals from a variety of industries.

Who's Invited

- 9-12 Students from Wall and the surrounding area schools
- Educators and school staff
- Community members and industry partners

Why Attend

Hands-On Career Exploration

- Participate in interactive activities that highlight real-world skills and career pathways.

Connect with Local Industry

- Meet employers and professionals from our region who are invested in developing the future workforce.

Explore Future Opportunities

- Learn about careers, technical training, apprenticeships, and post-secondary options available to students.
