

# "TEE IT UP 'FORE' TECHNICAL EDUCATION"

## The Future of the Construction Industry

WESTERN  
**DAKOTA**  
TECH  
FOUNDATION

One of the biggest challenges CIC members face today is a critical shortage of workers in the industry. The number of young people pursuing degrees and certifications in industry trades has declined over the years. This year proceeds from the CIC Golf Tourney will benefit Western Dakota Technical Foundation's mission to generate resources in support of students and workforce development. Join us in saying
