Not only will you have the chance to win more than **\$3,000 in gift cards from Scheels and other great prizes**, but you'll also be teeing off to make a meaningful difference in the lives of families seeking homeownership dreams.

Proceeds from the 2026 tournament will help fund exterior construction needs—including framing materials and trusses, siding, soffit and fascia, and roofing materials—for the Habitat build at 1625 6th Street.

That's a goal of **over \$80,000 raised in a single tournament!**

Habitat for Humanity builds simple, decent, affordable homes alongside families in our community, helping create stable environments where families can grow and thrive. Partner families contribute by completing 200 hours of construction, education, and volunteer service—and by paying an affordable mortgage set at 28% of their gross monthly income.

Spots are limited—register your team today and help build strength, stability, and self-reliance through shelter.
